October 2017

Czech Camp

From 25th-29th October we had the autumn camp in the Czech Republic.

Some 90 people gathered together in a hotel situated in mountains, close to the Polish border.

There was the usual program of prayer in the morning before breakfast, morning meetings with two talks and in the evening, a final talk for the day. We finished camp with the Sunday communion meeting.

The camp theme was: "Are You Ready?" A sister composed a beautiful camp song which can be downloaded from our server (sheet music and Mp3 sound).

This theme inspired some great talks and food for discussions during the fellowship times.

Again, it brought home to me the value of these camps for creating and fine tuning unity and inspiring one another.

Ps Piet Visser

Editorial: Getting ready, for what?

Sometimes, somebody wants to tell us something and they don't know where to start.

The answer is always: "Let's start at the beginning."

Today, let's start **before** the beginning. We will then look at the **beginning**, the **present** and the **future**.

Question: Where was God before the beginning of this universe?

He was not in this universe because the universe was not there yet, so where was he?

Isaiah 57:15 For thus saith the high and lofty One that inhabiteth eternity, whose name [is] Holy; I dwell in the high and holy [place], with him also [that is] of a contrite and humble spirit, to revive the spirit of the humble, and to revive the heart of the contrite ones.

So, God "lives" in **eternity**.

The word **eternity** is translated from the Hebrew word:

ad: perpetuity
Original Word: TJ

Hebrew words used for time can also used for space.

This word is also translated as "future" or "something beyond the horizon".

So, Eternity/Future/Beyond the horizon.

We will come back to this concept at the end of this doc.

The beginning as far as this universe is concerned:

What did God create first? Matter and Space. *Gen 1:1-2/ John 1: 1:5/ Heb 1: 1-2* Useless on its own. (Void)

Next: *Let there be light... Gen 1:3...* This was not the sun, moon or the light of the stars as we see in the sky as that came in *Gen 1:14-16*, the fourth period. Let's look at this...

Time was introduced.

This made everything move in a direction where life eventually became possible. (*Gen 1:11...*)

LET THERE BE LIGHT.

This is possibly one of the most important verses in the Bible. What happened?

God created the electromagnetic spectrum and life became possible.

Wiki says, in short:

"The electromagnetic spectrum is the entire range and scope (spectrum) of frequencies of electromagnetic radiation and their respective wavelengths and photon energies.

The electromagnetic spectrum extends from below the low frequencies used for modern radio communication to gamma radiation at the short-wavelength (high-frequency) end, thereby covering wavelengths from thousands of kilometers down to a fraction of the size of an atom. Visible light lies toward the shorter end, with wavelengths from 400 to 700 nanometers. The limit for long wavelengths is the size of the universe itself, while it is thought that the short wavelength limit is in the vicinity of the Planck, the smallest known measurement".

I had never heard an evolutionist talk about this very first, absolutely vital, beginning of the universe. Billions of years went by, and now, we are here...

As far as this earth and its systems are concerned, it looks like we are nearing the end of an era. Self-destruction seems inevitable and is also prophesied. And if not, we will all reach the end of our own natural life.

So we get ready, for what? And how? **Getting ready for a personal "lift off"**. And: The final push... regarding Revival... God's plan to save as many as possible! *1 Timothy 2:4 Who will have all men to be saved, and to come unto the knowledge of the truth.*

So, there was the light/life-giving moment at the very beginning and now we have the new light, also life-giving. *2 Cor 4:1 Therefore seeing we have this ministry, as we have received mercy, we faint not; 6 For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ.*

GETTING BACK TO THE IDEA OF GODS DWELLING PLACE...

Is 57:15, God's dwelling place. Eternity – Future.

Are we on our way to the same place? Are we going where God lives? Eternity? Jesus went there, angels went back and forth to this place, Jesus is coming back from there to take us there.

Acts 1:9 And when he had spoken these things, while they beheld, he was taken up; and a cloud received him out of their sight.

10 And while they looked steadfastly toward heaven as he went up, behold, two men stood by them in white apparel;

11 Which also said, Ye men of Galilee, why stand ye gazing up into heaven? this same Jesus, which is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven.

So we have the possibility to share this re-creative light to others.

Matthew 5:16 Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.

In conclusion, it is **light** which made life possible and the new light makes **eternal** life possible.

Ps Piet Visser.

Heard from the Platform

- We can have peace in all situations if the important things are right in our lives
- We overcome to become more Christ-like
- It's not only about what we say, but what we do
- All that God asks of us is reasonable and good
- God wants us to be healed just as much as we want to be healed
- Be aware that we are surrounded by so many distractions that can keep us from doing what is important
- Make reading the Bible a priority
- The world is full of compromise
- Our growth in the Lord is dependent on us accepting correction
- We are 'mountain top' people
- Learn and recover
- We lead, our body follows
- Don't look at the dirt, look at the glory

The Revival Fellowship in:

Dordrecht, NL

The month of October was a month with lots of different activities. During the last Saturday of the month, we watched the testimonies of several brothers and sisters from overseas.

There were some amazing healing testimonies and it is great to see how we can put our trust in God who never changes.

Several of us travelled to Dunkirk, France, to get together with some brothers and sisters from the UK. They had an educational afternoon and heard Pr Warren speak about the events that took place here in WO II. A remarkable story unfolded on the beaches there. A big bonus was the beautiful sunny weather which made it extra enjoyable.

We have also started having meetings in Antwerp, Belgium, which has been very good so far and has led to several baptisms.

At the end of the month the Autumn camp in The Czech Republic took place and a few of the brethren attended and had an uplifting time. Many of the talks focused on 'being ready'. And how we should be ready at all times for the Lord's return.

Rotterdam, NL

October brought us many good things. Of course there were challenges, but doesn't God promise that all things work together for good for those who love Him? A sister who was going through hardship testified about how she learnt to trust in the Lord and not allow circumstances determine her joy.

We had a sports day organised by brethren from Dordrecht, where we had a lot of fun together.

Some of us were privileged to go to the Autumn camp in The Czech Republic. It was an inspiring camp where each talk and testimony were pearls of great price. The unity we have, regardless of coming from all walks of life, is only possible through having One Father. Praise the Lord for His blessings, mercy and guidance.

Almere, NL

Dear brethren, it is great to see that we are reaching out as there are people who are still looking for the truth. We enjoyed having many guests at our meetings. Some received the Spirit and one person got baptised this month. We held our yearly Badminton Tournament. Evert and Victoria were the winners in this friendly battle. Two guests attended and then came to the meeting that followed. It is nice to see that people want to be in contact with us, like the caretaker of the sports facility who gets himself put on the work roster when we are there. We keep encouraging him to act on the word of God. He is still a little bit stubborn... a work in progress.

Furthermore, we enjoyed a presentation about Bible prophecy and its connection to the state of the world. We also heard worldwide testimonies. It was all very uplifting and encouraging. We are the light and have the answers to questions people have about life, the future and a life with God.

Ps René and Anthony left for Suriname half way through October and returned at the end of the month. We look forward to the pastors

meeting that will be held in Almere. And of course many baptisms!!
God Bless, TRF Almere.

West London, UK

Greetings from West London. This month, we have moved to a new building within the school we have been meeting at for the last couple of

Sarah, Nadia, Yetem

years. It is extremely big as it will easily host 600! It provides for all our needs and we are very happy meeting there until our final move to a permanent hall. We wait expectantly. In the meanwhile, the word of God continues to go out. We have had some visitors through personal contacts and some through street outreach. Our brother André and sister Sarah went back to Barbados for a follow up visit and they came back with good news of

Wednesday Meeting

people still keen to follow the Lord as we do. We pray it grows from strength to strength. One of our main events this month was the visit from Pastor Darryl from Melbourne over a weekend and Wednesday meeting. On the Saturday we had an outreach followed by a buffet and a presentation on healings. Pastor Darryl went through some key scriptures in the Bible and reminded us of the number of miracles and healings we have within our fellowship, reminding us that they do happen today and to expect.

This month, we heard many encouraging talks reminding us of who we are, what our attitude should be towards challenges and how we must remain faithful and disciplined to the word of God so that as Pastor Darryl puts it: we can be rocketed up when God returns to take us home! Until next month.

Sunday Meeting

North London, UK

We have been seeing lots of visitors at our meetings and were delighted that one person was baptised and received the Spirit. One of the highlights of the month was our variety evening. This was a concert, which involved saints showing off their many 'talents'. We also

spent an afternoon together planning our 'Jerusalem 2017' activity coming up in December as well as the calendar for 2018, if we get there!

Poole, UK

Greetings from the fellowship in Poole to all our brethren. October started with a fellowship

'Bake-off' competition. We were split into three teams, given recipes for a starter and dessert and had to work together to prepare the food within the given time. It was a great time of fellowship with all three teams

producing some truly mouth-watering and delicious dishes. Our thanks go to Candy for organising the event.

A lady called Gwen was very interested to hear the truth about salvation, having never heard it before. She had been praying and the Lord had blessed her situation and brought her to us. She has now been baptised and is seeking for the Holy Spirit. We also had Mike, who has been to a few Wednesday meetings. He can see that there's a difference to what he hears and sees in our fellowship compared to the church that his family goes to. He turned up at our next meeting and decided to obey the Lord. He got baptised and received the Holy Spirit in the baptism tank. We have also been busy outreaching in the local area and, despite the fierce windy weather, several people were spoken to and heard the word of God.

The Masau's spent a great weekend in Kent during the Kids Camp. We also had a games night which everybody thoroughly enjoyed with great fellowship and best of all there were some visitors.

That's all from Poole for this month!

Yorkshire, UK

Hello from Yorkshire. October has been a busy month; we had two midweek meetings with France via Skype and we were joined by Pastor Daryl Williams.

We had a themed dinner night where we dressed up in our nautical clothes and enjoyed fellowship and good food. Hello sailor!!!

We continue to have weekly outreaches and have the opportunity to speak to people about how coming to the Lord changed our lives and how He can do the same for them.

We look forward to and hope to see brothers and sisters visiting us soon. A warm welcome awaits you.

The Revival Fellowship in:

France

October has been an exciting and busy month for us here in Angers.

Our new sister Chantal, who was baptised during the outreach weekend in September, is continuing to get grounded in her new life with the Lord and has brought lots of her friends and neighbours along to check out the meetings! A couple Chantal met at her previous church drove an hour and a half to come on a Sunday with their young son. They were already Spirit filled, but hardly ever prayed in tongues. Since that meeting they pray in the Spirit together every day, and are starting to see miracles and changes in their lives.

Chantal prayed for her son to get a job as he was at home all day in his room. The very next day he was offered work! Praise the Lord, it's exciting to see these changes in people's lives.

Also a man who is a sort of solitary evangelist came along to a midweek meeting. He loves to talk about the Lord to people, but is worried that he doesn't have a fellowship to point them towards. He is thinking things over, hopefully we will see him again.

We had a house meeting in October on a weekend with lots of visitors - Josephine and Jacob from Holland, and Cécile from West London - it was such an encouraging time of fellowship.

We have a wonderful family in the Lord!

Switzerland

Hello from Switzerland. This month we heard a great talk about being hungry for God's word. Just as we feed our bodies, we should also feed our spirit by praying and reading God's word every day! God reveals amazing things to us when we are busy with His word!

1Peter 2:9 But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light.

We had a fellowship and Pizza night and talked about our camp which will be held in September next year. We prayed together to find a good location and shortly after we found a great place which contains everything we prayed for. Praise the Lord, we are very excited about that!

At the end of the month a sister attended the Czech Camp and brought back some great testimonies and things she heard at the camp! Love from the Swiss Fellowship

Hungary

Greeting from Hungary where we had two baptisms and one person receive the Spirit. The month began with a presentation on family values and the way the Lord helps us to do the right thing. We then held a prayer and fast weekend where we heard from the platform that we need to stay awake and look to always do things in the Lord, how we need to use the

new man to change and how we cannot build a wall around us if we are to love each other and to serve one another as Christ served us.

The following Saturday the younger brothers gave short presentations on the truth about lying, the trap of deceit and the fiction of emotions. They were able to show how bad the world is and how the Lord is able, though His goodness, to help us see the truth.

We held a meeting where the teenagers discussed various issues of their lives and share experiences of overcoming.

An outreach took place where many saints filled the streets of a tourist area and talked to many folk in many languages about how to get saved.

Finally, there was the Czech camp which was attended by 35 saints and we are most grateful for the theme of Are We Ready and the many inspiring talks.

The hand of the Lord was with us, as one brother and sister experienced on their wedding day.

The Lord blessed them with a wonderful day.

They are also grateful for the Lord finding them a

The theme of this years camp in Suriname was, "One People, One Mission". (Acts 2:37-49, Mk 6:15-20, Deut 7:6-7) Camp started with an encouraging talk from Ps René and a time of fellowship. We woke up early the next morning because of the light and heat and started the day with a prayer meeting then a meeting where a couple of brothers gave talks. One was about how do we build and do we use the right cement? (1Cor 3, Gal 5:22). The other was about stop making excuses as they will keep us from being a child of God. Don't just talk, but act! (Ex 14:13-22, Prov 3). We enjoyed workshops in the afternoon about how we can better serve God, the fellowship and revival. We put what we learnt into action and went outreaching in the surrounding area. That evening we had a presentation about the difference between the answers of men and the answers of God: religion vs faith. The next day started again with a prayer meeting where we heard how the real joy is knowing the truth, serving God and walking in His ways! The morning was filled with the communion meeting where we were reassured that we are the light in this dark world and that we should never hide the light.

After camp we enjoyed time fellowshiping and outreaching. We visited Marsha in Albina (two hours drive from Paramaribo). On our way there, we witnessed to some women who were selling watermelon on the side of the road. We stopped again on our way back and had the chance to pray with them and one received the Spirit. While praying, a young man stopped to ask if everything was all right with us. Anthony told him what we were doing and ended up praying with him and he too received the Spirit. We held a house meeting on Wednesday where two Muslim men attended; one of whom is Spirit filled. We also prayed for Irene's granddaughter to receive the Spirit. On Saturday, we met a young man and ended up praying for him to receive the Spirit. We had a BBQ that evening which was attended by six visitors. The girlfriend of brother Cedric prayed and received the Spirit and got baptised at the Sunday meeting. Vanessa, who was born again in 2011, came to the meeting on Sunday. We did some follow-up

with her that evening where we spoke to her family. Her husband, eldest son and daughter received the Spirit and her son and daughter got baptised that evening. On the Monday, Anthony and Ps René visited the family of Shanissa, who are Hindu. That evening the whole family prayed and Pria (Shanissa's sister) received the Spirit and got baptised the following day. It turned out that she had been praying to Jesus for some time instead of the gods she was used to. The next day, Ps René returned to Holland followed by Valerie and Anthony the following day. It was a great time and we look forward to more revival in Suriname.

The Revival Fellowship in:

place to live which is affordable for them. One brother is grateful for looking after his brother who had a heart attack and his bother-in-law who had a stroke. He was able to pray for them both and they are much better. One sister had a boss that wanted to sell something illegally so she prayed about it and refused. The boss was really mad, but the sister calmly pointed out why it was wrong and what the authorities would do if they found out. The boss stopped arguing and agreed 100% so they are not going to do it. Once again many great things happened this month and we are most grateful. God bless, The Hungarian Fellowship

Medway, UK

Hello from Medway. This month we have a new brother, Scott, and a new sister, Rebecca. Scott was born again last month and Rebecca was a visitor at the concert evening we held this month. She was born again the following Sunday. We are already hearing how the Lord is working in her life.

Thanks to Pr Chris Jose and Penny for visiting us from Melbourne. Pr Chris encouraged us with a talk about discontentment. We were encouraged to be content in the Lord in a very discontented world. We will all go through challenges, but in every challenge there is victory.

We joined our London and Dutch brethren for a trip to Dunkirk. We attended the War Museum and then met on the beach to hear Pastor Warren give a captivating account of Operation Dynamo also known as the miracle of Dunkirk.

After a national day of prayer God moved on various situations in the war that led to the successful rescue of 338000 servicemen across the channel and then onto victory. God is faithful. (See Psalm 124)

We got together mid week for a bible study on the book of Jonah. The saints brought out different aspects from various verses. There is a lot to be learned about Jonah's attitudes from his disobedience to obedience and from faithfulness to bitterness. It shows us how merciful and gracious our God is.

A testimony of our young sister Kerry who was born again a couple of years ago. Her mum Denise saw a huge change in Kerry, which prompted her to come along and get born again. Kerry's teacher spoke to Denise concerned that Kerry was two years behind in her school

targets. Kerry prayed about this and in just six weeks into the new school year, Kerry is not only meeting her targets but is now ahead for her age.

Czech Republic

What a month! Revival, two camps, international visitors - very exciting! October started with a 2P Night (pancakes and parables). The teams worked hard to guess the parables in each activity, and were rewarded with many types of pancakes afterwards.

The children learned all about "The Fellowship" (what it is, and how to be an active part of it) at their kids' camp this year.

We also heard more about deciphering prophesies in a presentation.

Another big highlight was the baptism of our newest sister, Veronica, from Zambia. She

already received the Holy Spirit several years ago, and recently heard the gospel at work and is very happy to have found a spiritual home.

The annual Czech Camp was also a big

success, with several visitors who prayed for the Holy Spirit. Petr, a work colleague of a sister, received the Holy Spirit at camp, after an evening meeting. What a smile on his face! The theme was "Are you ready?", and we heard many great thoughts from the talks, including: We need to learn to keep being ready in ever-changing situations. Are you ready-ing? Where am I now, and how did I get here? Has Christ increased in our lives during the last year? Also, many thanks to the international visitors who supported the Czech camp, and to the four sisters from Holland who came early for extra fellowship!

A little gem from a talk this month: "Let's live for what Christ died for!"

Testimony

I was born again in 2005. Prior to this, I had had a religious upbringing; I didn't go to church every week, but I went to a religious school, Sunday school and the catechism. I knew that God existed. I read about the Holy Spirit in my bible and thought everyone had it but that it didn't work in me because things weren't going right in my life. I also read about signs and miracles, but didn't see any evidence of these in the church. I thought that there had to be more than what I saw so I prayed that I could do things God's way.

One day my brother received a pamphlet from a colleague and told us that he wanted to be baptised. My mother went to a meeting with him to make sure he wasn't involved in a sect. They both returned home born again.

I could tell during the following days, that my mother was genuinely happy.

I went with them the following week where I heard the spiritual gifts, which I thought was scary, but that afternoon I got born again. I had many doubts and questions over the coming days but I read my bible and prayed and God gave me my answers.

Some time later I remembered my prayer to be able to do things God's way and this was it. I have signs and miracles in my life. God has healed me from eczema, from which my doctor had told me that I had to learn to live with and nothing helped get rid of it.

I praise God for my new life.

Paula, The Netherlands
